

NYSUT MEMBER ORGANIZING INSTITUTE

Training Dates: Friday, May 18th – Sunday, May 20th

Hey, NYSUT Members in Long Island! We want **YOU** to be a part of the plan to build the strongest union in history! Join the NYSUT Member Organizing Institute.

With attacks on public schools and colleges coming from both the state and federal level, it's sometimes challenging to have your voice heard and to make a difference. That's why NYSUT founded the Member Organizing Institute. Launched in the summer of 2017, we are rapidly building our statewide network of member organizers who will take a leading role in the campaign to promote our members' rights and fight for educational justice!

PROGRAM REQUIREMENTS:

Successful applicants should feel comfortable having one-to-one conversations with members of NYSUT at their homes. These conversations aim to be deeply engaging and build a long lasting relationship between members and their union.

The NYSUT Long Island 2.0 Member Organizing Institute requires participants to commit to all aspects of the program. In particular, all participants will be expected to:

- Complete either 12 or 18 shifts (4 hours each) over the 12 week duration of the program.
- Attend two and a half days training sessions May 18-20, 2018, and a debriefing (date to be determined).
- Accept observation and constructive feedback from and maintain regular communication with their assigned mentor throughout the program.
- Be comfortable with the basic navigation of a smartphone.
- Be on their feet walking for most of their shift, including in inclement weather and after dark. Driving between houses may be required as well.

SHIFTS & COMPENSATION:

Members accepted to participate in the NYSUT Long Island 2.0 Member Organizing Institute will receive \$1,800 (18 shift option) or \$1,200 (12 shift option) as well as reimbursement for transportation expenses.

APPLY TODAY:

The deadline for applying for the NYSUT Long Island 2.0 Member Organizing Institute is April 20, 2018.
