

## END OF YEAR CELEBRATION

### ONE LINER SPONSORSHIP

As we complete another fun filled year with our colleagues, we reflect on the good times and funny events. Some of us are moving on to another building, another district, another career, or into retirement! Celebrate those good times by placing a one liner into the journal to commemorate the year!

30 words are \$10

Examples:

Donna, There will finally be room in the fridge now that your Slim Fasts and Diet Cokes won't take up all the room. Wishing you all the best in your well-deserved retirement. Love, Katrina

Prep-room coffee breaks, brunches and cookie day, Broadway adventures, and of course, March Madness! Are among the best of times with Diane. The fun you find making with friends, is the kind that never ends...much happiness my friend! Love, Mary
